<sup>1</sup> Effective July 1, 1998, children age 1-5 with income between 133% and 150% of the poverty level and children age 6-18 with income between 100% and 150% of the poverty level became eligible. This expansion was "Phase One" of Indiana's Children Health Insurance Program (CHIP). Effective January 1, 2000 "Phase Two" of CHIP increased income eligibility up to 200% of the poverty level.

<sup>2</sup> Applications are approved on a first come, first served basis, until annual federal allotment is expended

<sup>3</sup> A recipient could receive an eligibility review more frequently if they are receiving multiple services with different review periods. Based on 2003 Federal Poverty Guidelines
